## R.E.I. Restore Environmental Inc.

*"leading our lands back to nature"*

### Company Profile

#### Our Mission:

*"Empowering positive change, we strive to reverse industry's impact on nature, wildlife, and our community. Through innovation, advocacy, and collaboration, we restore harmony to support a thriving environment for future generations."*

#### Our Vision:

*"Create ecological environments where communities, flora and fauna will flourish, alike."*

### Who We Are:

Restore is locally owned and operated and proudly supports our local communities. Restore strives to be a leader in all aspects of its service offerings and is continually evolving with the priority being to add value to our customers and our community.

Along with our associated local community supporters and service partners, we offer a collaborated solution to restoration that aims to create value and efficiency to all restoration projects.
